Where the Company agrees to the Customer's request, the Customer will be charged for the maintenance services provided pursuant to the Customer's request on a time and materials basis. All waiting time shall be chargeable.
- 3.11 The Customer warrants and undertakes to the Company that it is the owner or authorised user of the Equipment, that it has full power and authority to permit the Company to perform the maintenance services and the Customer undertakes to fully and promptly indemnify and hold the Company harmless against any loss or damage that the Company may suffer as a result of any breach by the Customer of this clause 3.11.
- 3.12 In order to be eligible for maintenance under the Contract, the Equipment must at all times be in a condition suitable for regular planned maintenance and if the Company, in its sole discretion, at any time deems the Equipment not to be in such a condition, the Company may, without liability to the Customer, refuse to undertake maintenance services in relation to the Equipment.

- (a) risk in the Goods shall pass to the Customer (including for loss or damage caused by the Company's negligence);
 - (b) the Goods shall be deemed to have been delivered; and
 - (c) the Company may store the Goods until delivery, whereupon the Customer shall be liable for all related costs and expenses (including, without limitation, storage and insurance); or
 - (d) sell the Goods at the best price readily obtainable and (after deducting any reasonable costs and expenses in connection with the storage and expedited sale of the Goods), charge the Customer for any shortfall below the price for the Goods.

9. WARRANTY:

9.1 The Company warrants (subject to the other provisions of these Conditions) that:

- (a) on delivery, the Goods shall be of satisfactory quality within the meaning of the Sale of Goods Act 1979; and
- (b) if the Customer has made it expressly known to the Company in the Customer's order that the Goods shall be suitable for a particular purpose and the Company has expressly stated in its written acceptance of the Customer's order that it will supply Goods suitable for that purpose, then the Goods shall be reasonably fit for the purpose so stated; and
- (c) the Services will be performed with reasonable skill and care.

9.2 The Company's liability pursuant to clause 9.1 shall be limited:

- (a) for Goods, to the replacement of any part of the Goods found to be defective and notified to the Company within the period set forth in clause 9.3; and
- (b) for Services, to re-performing those Services found not to have been performed with reasonable skill and care and notified to the Company within the period set forth in clause 9.3.

9.3 Any defect or deficiency in, or malfunction or shortage or failure to correspond to specification of the Supplies shall be notified to the Company within 72 hours of the time when the Customer discovers or ought to have discovered the defect or deficiency, or malfunction or shortage or failure to correspond to specification, as applicable; otherwise, the Supplies shall be deemed to be satisfactory and a charge will be made for additional rectification work.

9.4 The Company shall not be liable for any breach of any warranty in clause 9.1, if:

- (d) the defect arises from any Input Material, specification or design supplied by the Customer, or from fair wear and tear, wilful damage, negligence, abnormal working conditions, misuse of the Goods or from any other cause which is not due to the neglect or default of the Company;
- (e) the defect relates to electrical work or other work external to the Goods, or arises by virtue of any act or omission of the Customer relating to the operation of the Goods, or through transportation or relocation of the Goods not performed by, for or on behalf of the Company, or by subjecting the Goods to any unusual physical or other stress or adverse environmental conditions;
- (f) the full price for the Goods has not been paid by the time for payment stipulated in clause 7.2; or
- (g) the defect is of a type specifically excluded by the Company by notice in writing.

9.5 If upon investigation, the Company reasonably determines that any defect or deficiency in, or malfunction or shortage or failure to correspond to specification of the Supplies is a result of, or is excused by, any of the matters referred to in clause 9.4, the Customer shall be liable for all costs reasonably incurred by the Company in investigating the same and determining the cause.

9.6 Subject to and without limiting the generality of any of the provisions of this clause 9, additional individual warranties may apply to certain Goods and/or Services. The terms of any such warranty (including the warranty period) may be obtained from the Company upon request.

10. EXCLUSION OF LIABILITY AND INDEMNITY:

10.1 The following provisions set out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Customer in respect of:

- (a) any breach of these Conditions;
- (b) any use made or resale by the Customer of any of the Goods or of any product incorporating any of the Goods and any use made by the Customer of the Services; and
- (c) any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.

10.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979 and section 2 of the Supply of Goods and Services Act 1982) are, to the fullest extent permitted by law, excluded from the Contract.

10.3 Nothing in these Conditions excludes or limits the liability of the Company:

- (a) for death or personal injury caused by the Company's negligence; or
- (b) under section 2(3), Consumer Protection Act 1987; or
- (c) for any matter which it would be illegal for the Company to exclude or attempt to exclude its liability; or
- (d) for fraud or fraudulent misrepresentation.

10.4 Subject to clause 10.2 and clause 10.3:

- (a) the Company's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of the Contract shall be limited to the Contract price; and
- (b) the Company shall not be liable to the Customer for loss of profit, loss of business, or depletion of goodwill in each case whether direct, indirect or consequential, or any claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the Contract.

10.5 The Customer shall hold the Company harmless and keep the Company fully and promptly indemnified against all direct, indirect or consequential liabilities (all three of which terms include, without limitation, loss of profit, loss of business, depletion of goodwill and like loss), loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) awarded against or incurred or paid by the Company as a result of or in connection with any claim made by or against the Company in respect of any liability, loss, damage, injury, cost or expense whatsoever, howsoever and to whomsoever occurring, to the extent that such liability, loss, damage, injury, cost or expense arises directly or indirectly from the Customer's fraud, negligence, failure to perform or delay in the performance of any of its obligations under the Contract, subject to the Company confirming such costs, charges and losses to the Customer in writing.

11. CHANGES:

The Company reserves the right without prior approval from or notice to the Customer to make any changes in the specification of the Goods and/or Services which are required to conform to any applicable safety or

other statutory or regulatory requirements or which, in the reasonable opinion of the Company, do not materially affect the specification of the Goods and/or Services.

12. RISK AND TITLE:

12.1 Risk of damage to or loss of the Goods shall pass to the Customer upon delivery of the Goods to the Customer.

12.2 Title to the Goods shall not pass to the Customer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of:

- (a) the Goods; and
- (b) all other sums which are or which become due to the Company from the Customer on any account.

12.3 Until title to the Goods has passed to the Customer, the Customer shall:

- (a) hold the Goods on a fiduciary basis as the Company's bailee;
- (b) store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Company's property;
- (c) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
- (d) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery and indemnify the Company against all loss or damage of whatsoever nature affecting the Goods;
- (e) notify the Company immediately if it becomes subject to any of the events listed in clause 13.1 (d)-(k) (inclusive);
- (f) not assign to any other person any rights arising from a sale of the Goods without the Company's written consent (and then only subject to a set of terms and conditions containing a Risk and Title clause which is at least as onerous as this clause 12); and
- (g) give the Company such information relating to the Goods as the Company may require from time to time, but the Customer may resell the Goods in the ordinary course of its business, provided that it shall hold the entire proceeds of any such resale upon trust for the Company until the Goods have been paid for in full and shall keep all such trust monies in a separate bank account which shall not be overdrawn and in which such trust monies are not mingled with its own or any other monies. The Customer acknowledges and agrees that a sale by an administrator or liquidator as part of or in connection with the sale of the assets or part of the assets of the Customer is not in the ordinary course of the Customer's business.

12.4 If:

- (a) the Customer is late in paying for the Goods; or
- (b) the Customer is late in paying for any other goods supplied by the Company; or if
